We supervise our investment advisor representatives in the following ways:

- Compare activity in your account with your investment objectives;
- Ensure that your financial information and investment objectives have been recorded;
- Confirm that you are contacted annually to find out if there are any changes in your financial information or investment objectives;
- Verify that you receive quarterly statements;
- Make sure your advisory fees are being charged correctly;
- Ensure that we comply with your wishes concerning directed brokerage arrangements;
- Check to see if you are invested in securities that don't match your risk tolerance.
